I'm Strong for Medinah

Words by
ILLUSTRIOUS NOBLE HYDE W. PERCE
Written in 1914

Music by
NOBLE AUBREY STAUFFER
Written in 1914

I've seen lots of Shriners, they don't make them fin-er, On this side, or o-ver the sea,.....I've tak-en a whirl too, in Temples like Lu-lu, Old Mec-ca and Dutch Trip-o-li;.....But the Shrine to have joys in, to meet bul-ly boys in, And have a good time and be gay,.....Me-din-ah for mine, she's the Queen of the Shrine, So be-lieve me old man when I say.....

It's always fair weather, when we get to-geth-er, On Fri-days, as you all do know,.....The old walls go ring-ing, when we be-gin sing-ing, And never a mo-ment is slow,.....When the Band be-gins play-ing, the Pa-trol comes a sway-ing, The Of-fic-ers all fall in line,.....'Tis a sight for a King, let us all up and sing, I am strong for Me-din-ah, she's mine.....

CHORUS:

I'm strong for Me-din-ah C-H-I-C-A-G-O,.....The Nobles the fair-est, you bet, and the squar-est, Of an-y old Shrine I know; There's one place in Chi-ca-go, where all the boys like to go, The great-est in the land, for Me-din-ah we stand, in C-H-I-C-A-G-O. Rah! Rah! O. Rah! Rah!

1 Next Ceremonial Will Be Held on Friday Evening

March 24th, 1933

2 Very Important—

(*a*) Initiation Fee *now* $75.00

(*b*) No Affiliation Fee
Any Noble residing in Medinah's jurisdiction in Illinois can affiliate with Medinah Temple and at no fee for such affiliation.

3 Read the center spread of this Ceremonial—which tells about the next entertainment in Medinah Temple—February 24th, 1933—and be there.

4 Admission to Ceremonials and Entertainments by 1933 cards only—all Medinah Nobles have them.

5 The general approval of the Nobility for the remission of dues for 1933 has been demonstrated by the great number of checks sent in voluntarily. However, the response indicates that many Nobles did not read paragraph four of the letter accompanying their cards—please read this paragraph again.

Yours in the Faith,

Nobles:

I am very grateful to you for your action in electing me to serve as Potentate and appreciate very deeply the great honor conferred upon me. Please be assured that I will give to the Temple and it's officers every ounce of energy and constructive effort of which I am capable, and although these are times of great stress and strain for all of us, I feel sure that with your cooperation, our activities will be such that all the Nobility will enjoy the work and the play at the Shrine.

The unusual conditions today make heavy demands upon each of us—to meet them successfully and to rise above them is a consummation devoutly to be wished—and only to be reached by wisely organized effort and true cooperation for the good of all.

Medinah Temple has done a big, fine thing in remitting the dues of all its members this year. The initiation fee is reduced to $75.00. I urge upon the membership now to do its share by attending the ceremonials and entertainments in the Temple and supporting its many activities, by securing petitions and affiliations, by remembering that the Crippled Childrens' Hospital and other of our charities need our help more than ever. With officers, organizations and individual members all working whole-heartedly together, Medinah cannot help but advance steadily and be not only the largest but the best Shrine in North America.

Sincerely yours in the faith,

Hyde W. Perce

Recruits for the Arab Patrol

The Arab Patrol requires young men between the ages of 21 and 35, experienced in Infantry Drill Regulations. Applicants should understand that in joining the Patrol, it is necessary to give up every Tuesday or Friday evening for drill and be present with the organization whenever necessary. If interested, report at Medinah Temple on Tuesday evenings at seven o'clock (stage door entrance).

To most of us there come moments when faith, courage and the spirit of humanity seem to have departed from a selfish world and life loses its meaning. When such a time comes to you, we would suggest that you visit the Shriners' Hospital for Crippled Children and have your faith in the fundamental unselfishness of mankind and your hope for the future restored. There, before your eyes, will be unfolded miracles of modern orthopaedic surgery—miracles which make whole the bodies of thousands of little crippled children, engendering new hope, and injecting joy and laughter into the lives of those whose previous memories were shrouded in helplessness.

Transformed Lives

How proud and happy every member of the Order must be who follows the course of his small contribution until he sees it fused into this great organization which transforms crippled limbs into straight, useful members, and illumines with bright hope the heavy hearts of handicapped children. Even in a time when it has become almost a habit to talk about what we are pleased to call the "Depression," it will surely be the pride of the Nobility that there is no "Depression" in the steady progress of this organization whose great work it is to lift up from helplessness and misery those upon whom Nature has laid such an unkind hand.

Before After

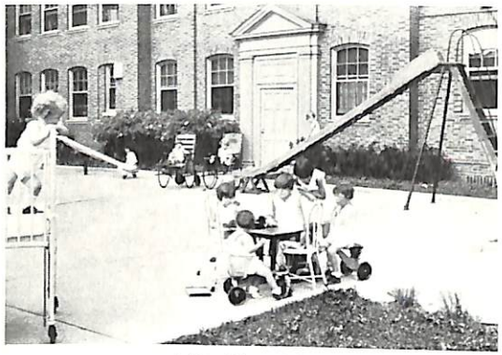
A Bad Case of Bow Legs After a Few Weeks in Our Chicago Unit

In the ten years the Shriners' Hospitals for Crippled Children have been in existence they have cared for 35,000 crippled children. If this number could be brought together what a mighty regiment it would make. In it would be some of the men and women of tomorrow who, because of the care they have received, are able to face the world without the handicap of a deformity. If the Shriners of North America had accomplished nothing else, they have the satisfaction of knowing they brought the joy of living to 35,000 children who, otherwise, might have been obliged to face the world with the handicap of a crippled body. The record after a decade, speaks for itself.

Children are Taught to Play and Also to Use Their Hands



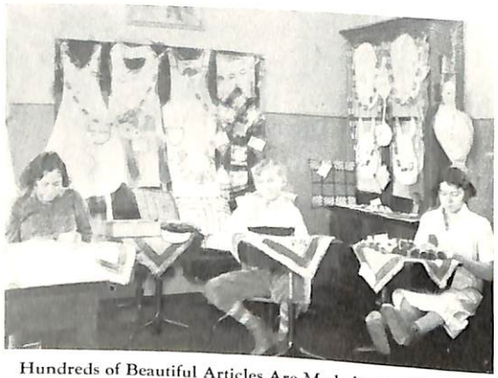
A Play Ground Scene

It is touching, indeed, to witness the greeting between our surgeons and some little patient who after being under our care, returns for a final examination, or sometimes for further surgical treatment. There is no fear, as one might expect, but a mutual confidence and affection. The child's expressive face shows a realization that something very wonderful has been done by this kind man. To witness these reunions makes one proud indeed to be a Shriner.

In addition to entertaining themselves, educational talks and movies are given from time to time. As much of the time as possible, the children are out in the open air and sunshine, on lovely well kept lawns, in wheel chairs, or enjoying whatever outdoor play device they are physically able to at the time.

A Warm Morning in the Sun Room

An important feature of the hospitalization of our little patients is the training of their minds. Children of school age lose little or no time so far as their education is concerned. The Chicago Board of Education has very generously cooperated by furnishing teachers to supervise our class rooms or give bedside instruction to those not as yet able to come to the classroom. In this way the minds are taught to grow while little bodies are being brought back to normal. The interest taken in this work, as well as the results, has made it very much worthwhile.



Hundreds of Beautiful Articles Are Made by the Children

Helping to Keep the Mind Busy

Girls' School Room

The requirements for admission to the Shriners' Hospitals for Crippled Children are indicative of the great breadth and depth of the unselfishness of those who founded the movement. It matters not the creed, race, or color of the child seeking admission. The few restrictions are that the applicant must be under fourteen years of age and mentally normal. Perhaps our strictest requirement is that the parents or guardians must be totally unable to pay for treatment of their child elsewhere. There can be no pay or part pay patients admitted to any of our Hospitals. This requirement is watched very closely by our Board of Governors which investigates every application most thoroughly for any misapplication of this rule.

Thanksgiving Day Turkey

Our Hospital has an Occupational Therapy Department where the little convalescents are taught to do all sorts of useful things with their hands and feet. This has more than justified itself in bringing back quicker muscular development in formerly unused members as well as teaching the children useful and interesting occupations.

Ladies' Auxiliaries under various titles have been most generous in their contributions, not only of cash, but in furnishing clothing, linens, toys, etc. Several manufacturing concerns have also made liberal contributions of materials and food supplies. We are most grateful for all such contributions.

The Fez

Is the insignia of a Noble of the Mystic shrine.

When is it worn?

On any Shrine occasion.

Where is it worn?

A real Shriner will never wear it in any company or place in which he would decline to introduce his mother, wife, sister or daughter.

May the Red Fez of Shrinedom and the White Apron of Masonry be spotless for all time.
